WELCOME

A Season, Not a Sitting.

A guide for seniors and their families.

NYDAM PHOTOGRAPHY

“The best senior portraits aren't captured in a single hour. They're built across a season — as a senior grows comfortable, finds their people, and becomes exactly who they are right now.”

NP Seniors is a senior portrait experience told across an entire season, not captured in a single sitting. A small group of seniors spends the year together — building friendships and camera confidence, then a fully styled signature session that becomes the photographs a family keeps.

This guide walks through how it actually works: the chapters of the season, what's included, and how to apply.

NP SENIORS — ALL-INCLUSIVE

A limited group each year. Hair & makeup, styling, planning, and an in-person gallery reveal — all included. You show up; we handle the rest.

01 Why NP Seniors Exists.

Most senior portraits happen the same way: one booking, one sitting, done. That works fine if all you need is a photo. NP Seniors exists for families who want the season itself to mean something.

THE USUAL WAY

- + One sitting. A single hour, often rushed between other commitments.
- + Perform for a stranger. Little time to relax or feel like yourself.
- + A photo, not a story. One look, one moment, and it's over.

THE NP SENIORS WAY

- + A whole season. Time to grow comfortable and genuinely enjoy it.
- + Friendships first. A small group of seniors who go through it together.
- + A real story. Chapters that capture who your senior is right now.

THE HEART OF IT

A small group of seniors spends the season together — so by the time the signature session arrives, the confidence is already there. None of it is performance.

02 The Chapters of the Season.

The season unfolds in four chapters. They don't happen all at once, and they aren't identical for every group — but together they tell the full story of a senior year.

THE FIRST HALF

- + Finding Their People. Seniors meet alongside others — a relaxed, no-pressure start.
- + Becoming Comfortable. By the third or fourth time on camera, the nerves are gone.

THE SECOND HALF

- + The Portrait They'll Remember. The fully styled signature session — hair, makeup, the works.
- + Looking Back Together. An in-person reveal — a real moment, not a link in an inbox.

WHY IT WORKS

Confidence can't be rushed into a single hour. Spread across a season, it simply arrives — and it shows in every frame.

03 Your Signature Session.

The signature session is the heart of the experience — fully styled, fully guided, and built entirely around who your senior is. It's the portrait a family hangs on the wall.

FULLY HANDLED

- + Professional styling. Hair, makeup, and grooming for guys — all included.
- + Personalized planning. We plan the looks and locations with you beforehand.
- + Guided throughout. Posing direction every step — never left guessing.

BUILT AROUND THEM

- + Their interests. The session reflects who your senior actually is.
- + Real locations. Chosen to suit the looks and the story.
- + Gallery reveal. The finished images, walked through together in person.

GOOD TO KNOW

The seasonal chapters aren't extras tacked on for value — they're what make the signature session feel effortless when it arrives.

04 What's Included.

Everything is covered upfront — no add-ons, no surprises at delivery. Here's exactly what's part of the NP Seniors experience.

THE EXPERIENCE

- + Seasonal portrait moments. With your group, across the year.
- + A signature session. Fully styled and fully guided.
- + Hair, makeup & grooming. Professional styling included.
- + Personalized planning. Before the season begins.

05 Portrait Credits & How to Apply.

NP Seniors is intentionally limited each year, so the first step is simply to reach out early. Here's how it works — and how referrals earn you more.

PORTRAIT CREDITS

- + Refer a friend. Who completes their own paid session.
- + Earn a credit. No limit on how many you can earn.
- + Real rewards. Fine-art prints and albums, not discount codes.

HOW TO APPLY

- + A first conversation. We talk through who your senior is.
- + A season of chapters. Then your signature session.
- + Apply online.
